RE: Hispanic Physician IPA
HealthNow IPA

Dear Valued Client,

We are very pleased to announce that effective April 1st, 2012 Foundation Laboratory will be the exclusive laboratory service provider for Hispanic Physician IPA and HealthNow IPA. We are excited about this partnership since it aligns well with our current roster of clientele and their corresponding association with the subject IPAs. Foundation Laboratory extends its extensive network of Patient Service Centers for your patient base, please visit www.foundationlaboratory.com for PSC locations and office hours.

Foundation Laboratory has assigned significant amount of resources to be utilized during the transition phase. The following list of individuals will be able to assist you with your immediate and future needs.
